DETAILED ACTION

Allowable Subject Matter

1. The following is an Examiner's statement of reasons for allowance: In a method for converting a data structure from a specific format in a hardware description language to generic HDL elements, the prior art does not disclose or suggest determining a generic HDL register and generic HDL input logic based on a condensed conversion matrix.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
